Children's Knook

From the Owners

 With each passing year I come to realize how very blessed we are to have  “so much”. As the Season approaches, I would like to encourage you to reach out to someone who doesn’t have “so much” and give so that the recipient doesn’t know who gave the gift. Our church has an “Angel Tree” where we select a family to help during this time of year. As my husband and I selected a family from the tree (a single parent with 3 children) we wondered how this family survives the rest of the year. May we each use the blessings God has given us to be a blessing to others. May you all have a wonderful holiday! Merry Christmas!

Demonstration

This demonstration will last approximately ½ hour and is designed to introduce you to concepts that will hopefully assist, encourage, and inspire you.

Fixing Common Knitting Mistakes

We will demonstrate how to fix dropped stitches and incomplete stitches, how and when to tinker (‘knit’ backwards), when to frog it (rip-it, rip-it), and more.
