Trunk Show

Featuring yarns from Classic Elite

Now Here!

Come try on the “*Man’s Vest*”. It’s the perfect classic vest construction with beautiful detail. Or, if you need a light garment to throw on during the cool fall evenings, come see how you like the *Hoodie* or the *Big Lace Pullover*. And, if you have ever wanted to knit a complete outfit, you have to see the *Striped Dress*.

The projects are featured in books and made from yarns right here in our shop.

Demonstrations for some of the patterns will be held on Saturdays at 2:00pm, beginning August 2nd.

(10% discount on all Classic Elite purchases and special orders over \$25 during this event.)

Crayon Box Jacket Workshop

Pattern by Chris Bylsma

This jacket is “a short, boxy, Chanel-style jacket knit one square at a time – but without seams – in a one-of-a-kind blend of colors and fibers.”

We will be hosting this workshop during the month of September. This jacket is perfect for using up your scrap yarn as the pattern uses not only many colors, but many yarn weights and textures. We will also have yarn kits available for you in various color schemes. It’s your choice - make a jacket for an adult or for a child.
